Paving set for Diedrich Boulevard (KY 693) in Greenup County *Nighttime operations planned July 2-12*

FLEMINGSBURG, Ky. – Nighttime paving operations slated to start next week on a \$920,000 Kentucky Transportation Cabinet project will mean new blacktop for nearly three miles of Diedrich Boulevard (KY 693) in Greenup County.

Beginning Monday, July 2, contractors will remove old asphalt on Diedrich Boulevard between its intersection with US 23 at Russell and the KY 207 intersection at Flatwoods. Paving will follow the week of July 9.

In order to lessen traffic impacts along the heavily traveled state highway, work will take place overnight, 7 p.m. to 7 a.m., Monday through Thursday each week. No work is planned Friday through Sunday, or on holidays, unless weather or other issues require schedule changes.

Motorists using the highway during work hours should expect one-lane traffic and possible delays. Watch for flaggers, heed all warning signs, slow down in work zones and remain aware of construction equipment when traveling.
